AREA 47 INTRODUCTION

Area 47 is the gathering of General Service Representatives, District Committee Members, Committee Chairs, and Officers for Area 47 serving Central New York. An area's purpose is threefold: To elect a delegate who will represent the area's conscience at the annual General Service Conference, where decisions are made that affect A.A. throughout the U.S. and; Canada. To form a local decision-making structure so groups can collectively decide on matters that affect their area. And to carry out Twelfth Step work that may not be practical for groups, districts or intergroups to take on by themselves. The Delegate is the Area's voice down the upside-down triangle. They carry the voice of central New York to other Delegates, Trustees, and Board Members. Area 47 belongs to the groups in our Area. We, as Area 47, serve as the collective conscience of the groups in Central New York.¹

FORWARD

The Central New York Area Assembly abides by the principles reflected in the 12 Traditions and the 12 Concepts of Alcoholics Anonymous. We also follow as closely as possible, the suggestions offered in the A.A. Service Manual. However, we recognize that in over forty years of our existence, we have developed practices and procedures unique to our area. This handbook, therefore, is an effort to describe those practices and procedures presently accepted in the working structure of the Central New York Area Assembly. Also, in procedural differences between the AA Service Manual and that which is described in our Area Handbook, the Area will henceforth defer to our Area Handbook.²

The number of listed groups in the Central New York Area has grown rapidly throughout the years. New members are continually coming into the Area to serve their groups and their districts. At the same time, we have lost many of our early timers whom we have relied on to orally pass on our traditional "way of doing things." As time has passed, experience has shown that we can no longer retain in our collective memories, all the experience and knowledge that has served us so well in the past. Just as our Big Book was written so that our message of recovery would not become garbled in the oral method of passing it on, we in Central New York believe that this handbook will serve to pass on our service message as it has become known and accepted in our Area structure.

It is also known and recognized that no prior service committee nor assembly decisions shall be binding on future committees or assemblies. All current committees and assemblies are encouraged to make decisions as they see fit according to their own group conscience. This handbook, therefore, will serve as a guide and a reference for what has worked in the past. It is subject to change as the needs in Central New York change and as better ways are found to carry our message. As better ways are found and adopted for our Area, they will be incorporated into the appropriate section(s) of this handbook. For such changes that were made within the prior two panels, the relevant portions of the handbook will be footnoted with the month and year in which the change was made (based on the Area minutes). Additionally any items from other AA materials will be footnoted as well.³

SPIRITUALITY IN ACTION

"I am convinced that God's hand was never more apparent in all of Bill's writings than it is in our blessed third legacy. It is totally a spiritual document, and I think of service as spirituality in action.

Bill said our third legacy is that "least possible organization which will maintain us in effectiveness and unity." That must mean that our least possible organization is intended to bind our groups together, in loving and purposeful communication, in about the same manner as individual members are bound together in an A.A. group.

Originally our "least possible organization" was a means of electing delegates to a conference. Today, we see it differently. Bill challenged us to produce a reliable, 12 months-of-the-year, continuing operation capable of supporting a full measure of service responsibility. I have a job and a responsibility, but I can't do "your job." Delegates should not do committee members' jobs; they should be delegates. The power and importance of A.A.'s basic principles take on new meaning for our service people in the careful consideration of watchwords like "rotation" and "anonymity" and "leadership."

Leadership is a continuing problem just as Bill foretold. If you want better trustees, we need better delegates. If we want better delegates, we need better committee members. If we want better DCM's, we need better GSR's. Better service suggests better unity. Better unity suggests better recovery.

What is important is that we grow under God quietly and calmly and in freedom. We have no doctrine that has to be maintained. No membership that has to be enlarged. No authority that has to be supported. No prestige, power or pride that has to be satisfied. No property or money is worth quarreling about. These are the advantages of which we should make the best possible use."^{4,5}

SERVICE STRUCTURE OF THE FELLOWSHIP

When our co-founders sponsored the General Service Conference, they placed in the hands of the groups, the future and destiny of the fellowship. It is suggested that "The AA Group" and the "Questions and Answers on Sponsorship" pamphlets be your first "trusted servant" guides. As you read the sponsorship pamphlet, substitute "the group" for "newcomer" or "beginner."

A group is an assembly or coming-together of people who associate with each other, who identify, who share and who participate in activities together. In order to continue our personal recovery and to assure the future of A.A., we need to belong to one group, obeying a common set of traditions and to have one voice in our group conscience that is expressed in one vote through the General Service Representative.

Without a group, there is no group conscience, and without the GSR, there is no link to the rest of A.A. for an informed group conscience for the fellowship as a whole.⁶

⁴ By a former General Service Trustee, Canada

⁵ "A trustee or former trustee is/was a member of A.A.'s General Service Board. Fourteen trustees are A.A. members (Class B); seven are nonalcoholic (Class A)." -The A.A. Service Manual page 87.

SERVICE STRUCTURE INSIDE THE AA GROUP

AN INFORMED GROUP CONSCIENCE

“The group conscience is the collective conscience of the group membership and thus represents substantial unanimity on an issue before definitive action is taken. This is achieved by the group members through the sharing of full information, individual points of view, and the practice of A.A. principles. To be fully informed requires a willingness to listen to minority opinions with an open mind.

On sensitive issues, the group works slowly — discouraging formal motions until a clear sense of its collective view emerges. Placing principles before personalities, the membership is wary of dominant opinions. Its voice is heard when a well-informed group arrives at a decision. The result rests on more than a “yes” or “no” count — precisely because it is the spiritual expression of the group conscience.”

“...Before a vote is taken, it is essential that the members be given all facts relevant to the subject at hand. In many cases, a few members may be asked to look into the pros and cons of the issue and present them at the meeting. Arriving at an informed group conscience in big matters or small is a process that may take some time. But it is important that minority, or dissenting, views be heard along with those of the majority. In some instances, they may even turn the tide.”

THE ROLE OF THE GENERAL SERVICE REPRESENTATIVE

The GSR is the link between "an informed group conscience" and A.A. as a whole. The non-existent or inactive GSR deactivates the check and balance system for group self-honesty. Experience seems to indicate that "the good intentions" of the group were often the enemy of "what was the best" for the fellowship as expressed in the traditions and the concepts. The active GSR ensures the liaison between the group and the worldwide fellowship, starting with group discussions that share the group's experience of "carrying the message" at the district and area levels.

The GSR's in a sense are "service sponsors" of their groups. They are as kind, non-judgmental and willing to share, as they would be with a newcomer. Group sponsorship is the best example of the relationship of the GSR to the group in matters of service and unity. Because the GSR enjoys the trust of the group, they learn to listen and listen to learn. Their role is often reversed. They return to the group with the results of problems and solutions that could affect the unity, health and growth of A.A. How well GSR's do their job can be measured by the way they listen to the group conscience and keep their group informed.

Active sponsorship experience is one of the most powerful experiences a GSR can bring to service responsibility. It indicates the ability to reach out and "carry the message" by "working with others" as suggested in chapter seven of the Big Book. The GSR needs to develop courage, emotional maturity or thick skin to carry the message of service. Experience and A.A. history provide this confidence.

A sense of self-humor was most important to our service commitment and sobriety. We take the program and our sobriety seriously; we do not take our personal hurts or the rejection of our opinions too seriously. As Dr. Bob said, "Let us also remember to guard that erring member the tongue, and if we must use it, let's use it with kindness and consideration and tolerance."⁷

THE CENTRAL NEW YORK AREA ASSEMBLY

In many respects the structure of the Central New York Area Assembly mirrors that of an AA group.

SERVICE STRUCTURE INSIDE THE CENTRAL NEW YORK AREA ASSEMBLY

THE FELLOWSHIP AS A WHOLE

The business of Alcoholics Anonymous in the United States and Canada is conducted at the annual General Service Conference meeting held in or near New York City, normally in the month of April. It is attended by delegates from 93 service areas, 21 Trustees, Directors and staff members from A.A.W.S., the Grapevine and the General Service Office.

CENTRAL NEW YORK AREA ASSEMBLY

PURPOSE OF THE AREA ASSEMBLY

The purpose of the Central New York Area Assembly is the same as the purpose of an A.A. group; to carry the message to the still suffering alcoholic. Primarily, the way this is done is by electing a delegate to serve as the messenger of the Area to the General Service Conference. The Area Assembly also provides an opportunity for the District Committee Members and the individual A.A. groups to share their experience. It also sponsors Area events such as the annual convention, various workshops and other service-related events that have area wide significance.

- Stimulate A.A. group involvement and participation in the Assembly.
- Allow for free, open, and unrestricted dialogue between A.A. groups in the area.
- Insure against "railroading" and "log rolling" of one individual's or group's specific agenda or course of action.
- Ensure the right of the minority to be heard.
- Remind the groups of their need to make contributions to the General Service Office.
- Provide a forum for allowing the A.A. groups to inform the Delegate of what items are of concern to the A.A. groups.
- Ensure that the voice of the A.A. groups is heard within the A.A. service structure.
- Ensure that the Area Assembly does not act as a governing body over anyone.
- Provide for monthly meetings of the GSR's to insure informed dialogue between the groups and the Delegate.
- To pool the financial and human resources to stimulate "carrying the A.A. message" where it is beyond one group's resources to do this.
- To act as a guardian of the Twelve Traditions of A.A. To introduce the Twelve Concepts of World Service.

PURPOSE OF THE AREA COMMITTEE

The primary purpose of the Area Committee is to provide the leadership necessary to assist the Area Assembly in carrying out the above purpose. The committee, which is composed of all district committee members, the delegate, the alternate delegate, the area officers and standing committee chairs; has firsthand knowledge of what is happening in A.A. world services through our delegate and is also close to district and local needs and concerns. Typical issues and themes that have been, and most likely will continue to be, addressed are as follows:⁸

- Is area experience being shared?
- Is the A.A. message getting into hospitals, prisons, and rehab centers?
- Are news media informed about A.A. in the districts and the area?
- Are professionals aware of A.A. as a resource?
- Are new groups and Loners being visited and helped?

The Area Committee is open to any alcoholic but is primarily attended by DCMS, Area Officers and standing committee chairs. In Area Committee Zoom meetings, the Chairs of Area Service Committees become voting members of Area Committee as per p.S45 A.A. Service Manual 2018-2020 edition.⁹

PURPOSE OF THE AREA STANDING COMMITTEES

These are permanent committees that are created by the Area Assembly to perform a specific job. The chairperson of each standing committee is appointed by the Area Chairperson with the approval of the Area Assembly for a two-year term. Their primary purpose is to carry out the wishes and directions given by the informed group conscience of the Area Assembly.

ACCESSIBILITY COMMITTEE

PURPOSE

To assist the work of individual A.A. members and groups in carrying the message of recovery to alcoholics with special needs.

BASIC FUNCTIONS

- Assist individual groups and local committees in their efforts to have A.A. accessible to all alcoholics.
- Collect, maintain, and disseminate information which can be used to reach the alcoholic who has difficulty in receiving the A.A. message in the traditional way.

DISTRICTING

In June of 1991, the area assembly voted to establish an Ad Hoc committee to consider redistricting and charged it to present proposals on how redistricting might be done, for a vote by the area assembly. The committee returned three proposals to the assembly, the third of which was approved in April of 1992.

This proposal assumed a large increase in the number of districts, each the responsibility of one District Committee Member and comprising the GSRs from his or her local clutch of A.A. groups. The district to be formed would be based on the A.A. Service Manual suggestions and procedures.

As of 1998, the Area has approximately 40 districts with D.C.M.s.

This simple map is to display in a general way the districts that comprise Central New York. The communities listed have hosted Area Assemblies in recent times.

ORDER OF ELECTIONS¹⁵

The positions shall be voted on in the following order:

1. Delegate
2. Alternate-Delegate
3. Chairperson
4. Secretary
5. Treasurer

CHAIRPERSON, SECRETARY, RECORDING SECRETARY, TREASURER, REGISTRAR

All current and past Central New York DCMs, DCM elects, and Area Officers.

OPENING NOMINATIONS TO THE BODY

It has been a custom in Central New York that, prior to the closing of nominations to each of the above positions, the Assembly is asked if they wish to open the nominations to any other individual A.A.'s. If approved by a simple majority, additional nominations are accepted when seconded.

¹⁵ November 2020

ORGANIZATION AND PHYSICAL LAYOUT

The eligible voters will be separated from the non-voters by a roped off area. Each District will be assigned a specific table(s) to sit at during the election. All voters should stay within the designated areas while ballots are being processed.

A blackboard, flipchart or white erasable board will be available to show the candidates and the voting results. Enough colored ballots to conduct up to five (5) ballots per position will be provided.

ELECTION PROCEDURE

For all elected offices the most immediate past delegate present will chair the election Assembly. Past-Delegates will tally ballots and post results. A DCM from the tables will be asked to be the ballot carrier.

For historical purposes, a tally of voters will be taken prior to election. The percentages will be set by the number of ballots cast, not a baseline number.

- Prior to the election of each office the qualifications will be read from the A.A. Service Manual.
- Candidates will be asked to declare themselves by standing, if qualified to stand, names will be listed on the board.
- Each candidate will be allowed two minutes at the mic to state their qualifications or reasons they want to hold the position.
 - If they have stood for a previous position (in this election) they will be allowed one minute at the mic. (This will be actually timed.)
- Before the voting starts the candidates will be asked to leave the room.
 - If they are eligible voters they may do so, and a runner will collect their ballots.

ELIGIBILITY TO VOTE

All Offices: All current GSRs, DCMs, Area Officers, Area Standing Committee Chairpersons, and DCM-elects are eligible to vote.

VOTING PROCEDURE

Third Legacy procedure (below¹⁶) is used to elect each of the above trusted servants. The Third Legacy procedure will be outlined to the Assembly prior to the start of the elections.

REGIONAL TRUSTEE & TRUSTEE-AT-LARGE

When these positions rotate (every four years) an election of a candidate from the Central New York Area will take place in the fall of the year prior to rotation. The delegate will conduct the election according to Third Legacy procedure and inform the General Service Office of our nominee.

¹⁶ Page S-21 of the AA Service Manual

OTHER ITEMS OF AREA CONSCIENCE

VOTING PROCEDURE

Items of business to be voted on by the Area Assembly are brought to the floor in the form of a motion. The chairperson will ask for a second to the motion. If a second to the motion is made, discussion will follow.

The chairperson or a member of the Area Assembly may call for a vote after the matter has had a thorough airing or the discussion has ceased. A simple majority is required to approve the motion in most cases. The exceptions are:

When any member of the assembly raises a point of order during the discussion and requests that the motion receive substantial unanimity to be approved. If seconded, the point of order is then voted on. If passed by a simple majority, the original motion on the floor will now require a two-thirds vote in favor in order to pass or be approved.

When any member of the assembly makes a motion to table further discussion and/or voting until the next area assembly. If seconded and approved by a simple majority, the original motion is tabled and placed on the "old business" agenda for the next area assembly. Such a motion to table must be made without comment.

Once the vote is determined, the chairperson will ask for the minority opinion to be heard. Again, after a reasonable length of time for responses from those in the failing side, the chairperson will ask if anyone who had voted with the majority wishes to change their vote. If sufficient numbers do not wish to change their vote, the vote stands. If, however, sufficient numbers do change their votes, the decision is reversed.

ELIGIBILITY TO VOTE

All Offices - All GSRs or group representatives (one vote per group), DCMs or their alternates, area officers, area standing committee, and the sound system technician are eligible to vote.

AREA FINANCES

Typical of most undertakings in A.A., the Central New York Area Assembly strives to be self-supporting through the contributions of the A.A. groups within the area. In our early years, the primary purpose of this support was to see that our delegate's expenses for the annual meeting of the General Service Conference were paid. Today, however, this is only the beginning. Over the years, the GSRs, area officers and area committees have expanded the service role of the assembly to include active institutional work, useful public information and cooperation with the professional community; in addition to the more routine expenses of postage, phone calls, printing meeting minutes and the like.

GUIDING PRINCIPLES

- The 7th Tradition supports our primary purpose (5th Tradition).
- All officers and committees are endowed with the traditional "right of decision."
- Every service responsibility should be matched by an equal service authority with the scope of such authority well defined.
- Final authority rests with an informed group conscience.
- Service is its own reward.
- The ability to perform service should not be limited by personal funds.
- Expenses incurred while conducting business at the request of the Area should be fully reimbursed.
- The choice to be reimbursed should be left to the individual.
- The intent of the Area is to encourage anyone, who is willing and able to perform service, to do so by removing personal finances as a limiting factor.
- The Area projected expenses should be set at adequate levels to cover expected expenses.
- Accepted contributions from AA conventions/workshops shall not exceed \$2,000 per event per year.
- In the spirit of the 7th Tradition, the Central New York Area Assembly should be self-supporting in all its affairs.

PROPOSED BUDGET

A financial budget is a planning tool that has been used in the business world for hundreds of years. Its primary purpose is to plan or predict future amounts of income and expense over a given period of time, usually a year. The Assembly delegates spending authority to our trusted servants based on a proposed budget. This eliminates the need for the Assembly to approve each and every detailed expenditure. This does not mean that once projected expenses are approved it can never be changed.

The Finance Committee is responsible for preparing the next year's annual proposed budget by soliciting input from all the area officers, committee chairpersons and other trusted servants. The proposed budget shall also include an income projection based upon the Area's actual historical income and other relevant facts and circumstances.¹⁷ This is done in the fall of each year and usually given to the GSR's at the September assembly so they may discuss it with

¹⁷ January 2018

their home groups prior to the assembly voting on the proposed budget (usually voted on in November).¹⁸

THE CEILING

A.A. experience clearly shows that it is not a good idea for a group to accumulate large sums of moneys in excess of what is needed. The Assembly has set this ceiling equal to approximately six months of operating expenses.

The above ceiling applies only to the general operating fund and does not include the Assembly's inventories of A.A.W.S. or Grapevine literature.

EXPENSE REIMBURSEMENT

CONVENTION AND REGISTRATION FEES

This category of expense also includes the cost of lodging when necessary and is reimbursable when accompanied by receipts. Upon their return from the convention, a written and/or oral report should be submitted to the assembly.

TRAVEL, AUTO MILEAGE, AND MEALS

Automobile mileage is reimbursable at 35% of the current IRS rate. Other travel expenses and meals may be reimbursable when accompanied by receipts.

GENERAL OPERATING EXPENSES

Expenses in this cost category include items such as postage, telephone, duplicating and office supplies. They are all reimbursable when accompanied by receipts.

FINANCIAL AUDIT

APPENDIX B – COMPENDIUM OF SUBSTANTIVE MOTIONS⁴⁵

Motion (any related discussion as documented in the minutes will follow the motion when available)		Additional Info
7/1989	All checks will have two signatures, that of the Treasurer and the Chairman	Can be found in the Finance Committee summary in the October 1990 minutes
7/1989	That the Treasurer shall not be bonded	Can be found in the Finance Committee summary in the October 1990 minutes
1/1990	All requests for reimbursement will be accompanied by receipts, copies of bills, or other documentation that will explain the expenses in detail.	
1/1990	A standard rate for mileage be set. It is recommended that the amount follow the federal guidelines for non-profit organizations.	
1/1990	Any officer attending a convention or conference should provide the assembly with a written report, which can be included with that month's minutes, if the expense is paid by area.	
4/1993	<p>That the Archivist be the mechanism by which the Area Handbook be sold, and that the Assembly provide money for 100 copies to be printed and sold at cost.</p> <p>Discussion: Should the DCMs produce their own, or have the Districts take care of that? The 7th Tradition was cited, and, that we have \$4000 worth of A-A literature on hand so \$100 worth of Handbooks is not much. They should also come from one source so that editions and changes would be the same. Minority opinion was that changes be made in the Handbook prior to printing.</p>	
6/1993	Motion to insert the words "and/or oral" after the word "written" in the first paragraph on page 24 of the Area Handbook.	
6/1993	<p>Motion to change the word "sponsorship" to "contact" on page 12, 4th point under "Basic Functions of the [Treatment] Committee"</p> <p>Discussion: Treatment committees do not coordinate sponsorships in the traditional A.A. definition, simply contacts.</p>	
6/1993	<p>Corrections pointed out to the Area Handbook:</p> <p>Page 44 – past-delegate Robert W. was from Owego, not Oswego And Maurice W. should be listed before Bob J. in 1981-1982 in order to be listed properly.</p>	
8/1993	Motion to use the Convention rotation as in June's minutes (1994 - 0100 Cluster followed by 0200,0300, 0700, 0400, 0600 then 0500) (final motion removed the 0700s exemption)	
8/1993	Motion to change the fiscal year from January 1st to December 31st to run July 1st to June 30th in hopes that new Trusted Servants will be able to have more input on their own budget.	
10/1993	A motion was made to book [Area] conventions two years in advance.	

⁴⁵ February 2020

	Motion (any related discussion as documented in the minutes will follow the motion when available)	Additional Info
2/1994	A motion was made to elect the Alternate-Delegate by Third Legacy procedure.	
10/1994	<p>That we accept a proposed addition for the CNY Area Handbook. The proposed addition is as follows: Suggested Guidelines for Groups or Districts Wishing to Host a CNY Area Assembly Groups, districts, and intergroups wishing to host the CNY Area Assembly ought to consider the following guidelines prior to accepting this responsibility:</p> <ul style="list-style-type: none"> ● If possible, handicapped-accessible facilities. Seating capability for no less than 150 people during the Area Assembly. Tables would be a plus. ● 6-8 additional rooms would be nice (however we can make do with 4) which can each seat a minimum of 15 people for committee meetings. ● Accessibility to the meeting space no later than 12 noon on the day of the Assembly to approximately 7 pm. ● Accessibility to rest rooms. ● Adequate floor space for Literature, Grapevine, CPC, and Archives to set up their materials. ● Hosts are responsible for financial costs; however, a basket is passed. ● Ability to have a well-drawn map to the location, with a compass mark for north, to the Area Secretary no later than the Assembly before the bid. <p>Historically, hosts have provided snacks, coffee and/or a meal. While these are benefits, they are not considered to be necessities. Group, district, and intergroup representatives of these locations wishing to serve as hosts would do well to attend an Area Assembly. This will help Trusted Servants to make their decisions as to whether or not they wish to host such an assembly.</p>	
11/1994	<p>We move that in cases of procedural differences between the AA Service Manual and that described in our Area Handbook, the area will henceforth conform to the AA Service Manual.</p> <p>Discussion: The Area Handbook should conform to the AA Service Manual.</p>	Altered by 8/2019 motion
1/1995	<p>That we make the Ad Hoc Special Needs Committee a full standing committee.</p> <p>Discussion: The main point of disagreement seemed to be around whether or not this could be done at group level without Area involvement.</p>	
2/1995	Addition to the guidelines for hosting CNY Area Assembly that "People become more sensitive to architectural needs for access into Area Assemblies, meeting rooms, etc. for special needs people."	
6/1995	Vote on the Duties and Responsibilities of the Special Needs Chairperson - copies of which were made available at the last Area - to be included in the Area Handbook.

6/1995	[With regards to the newly formed Special Needs Committee a] vote was taken on the Purpose statement - printed in the Special Needs Committee Report in the April minutes [to be included in the Area Handbook]	
8/1995	That we set the theme and panel topics for the Area Convention during the October Area Committee. Discussion: December has been a practice, not a rule; getting people to commit so far in advance; getting flyers around to get people "attracted" earlier.	
12/1995	That we begin using the last names of Area Officers, Delegate, Alternate Delegate and Standing Committee Chairs in our minutes. Discussion: last names would only be used with the persons permission; why would we want to remain unknown to each other?; last names (as well as addresses and phone numbers) are censored out in minutes going to Corrections; use of last names might discourage people from standing for these service positions; suggestions that we include the standard disclaimer.	
7/1996	That all current and past DCMs, along with Area officers, be allowed to stand for Delegate and Alternate Delegate. Discussion: this would allow officers to stand without specially petitioning the Assembly; it would make it more inclusive rather than otherwise	
12/1996	That we add to the Area Handbook: "all current and past DCMs, along with CNY Area officers, be allowed to stand for any area offices."	
4/1997	That we establish a Prudent Reserve that would be 3 months operating expense for this Area.	
9/1997	That the guidelines for convention bids, with changes given in committee report, be approved for the Handbook.	
9/1997	That the Prudent Reserve be an interest-bearing savings account.	
10/1997	To abolish the prudent reserve that the CNY Assembly voted to establish at the April 1997 Assembly.	
10/1997	Motion, "Since we have just defeated the motion to adopt the Circle & Triangle with Recovery, Unity, Service as our symbol for use on all Area Literature, etc. I move that the Area remove this logo from the minutes the table banner, etc."	Earlier at this assembly was a motion to formally adopt the circle & triangle as our symbol for use on all Area literature and correspondence.
11/1997	Add an Area Committee position: Area Recording Secretary. Position, would be responsible for updating handbook on a timely basis, updating handouts/fliers (The Winner's Circle), and providing other support to the Area Secretary as needed.	

Motion (any related discussion as documented in the minutes will follow the motion when available)		Additional Info

7/2000	Future area assemblies and conventions designate in the minutes if a facility meets the Americans with Disabilities Act.	
9/2000	Motions that if a person cannot attend the Area Assembly election they can send a letter of intent of qualification.	
9/2001	That this assembly follow the guidelines of the Service Manual, page S43 (Financial Support, Methods of Support) when accepting donations from conventions, that the bulleted item #3 be interpreted for this Assembly to include only the CNY Area Convention (annually), the NY State Convention (annually) and the NY State Informational Workshop when hosted by our Area and that this be stated in our Area Handbook.	Documentation on this is vague. Last mention of the motion is in 7/2001 minutes, but it was tabled then. Keeping in handbook as it was in here prior to panel 69.
9/2002	Motion to approve the recommendations of the Ad Hoc Committee on Area Elections. Those recommendations are: 1. People who are standing for the position leave the room rather than stay in the room. 2. People who are standing for the position and have left the room are allowed to vote so a runner will go and get their ballots. 3. That we set up the room in District clusters. 4. That we separate the voters and the non-voters from each other.

Being asked to speak on the topic fosters interest and responsibility on the speakers which strengthens the assembly. Points raised during discussion: ·There have been issues in the past of being able to get one speaker, let alone three ·Fourth tradition states every group should be autonomous and since the assembly put on by the districts we as an assembly do not have the authority to tell them how to run the GSR workshop ·May be difficult for assemblies held in more rural areas ·Host district can ask people from outside of their district to speak on the panel</p>

Motion (any related discussion as documented in the minutes will follow the motion when available)		Additional Info
11/2017	Effective January 2018, Area 47 discontinues the bulk mailing of the hardcopies of the area minutes and moves to only emailing digital copies along with the secretary bring an ample supply of hardcopies to the assembly each month. The secretary will continue to make mailed minutes available to members within correctional facilities and members can continue to opt to pay \$12 to receive a year “subscription” to the motion.	
12/2017	<p>That the area changes its fiscal year to the calendar year, beginning on January 1 and ending in December31, such change to be effective as of the end of the current fiscal year on the condition that all necessary legal conditions are met.</p> <p>Discussion:</p> <ul style="list-style-type: none"> •Trusted servants felt it was odd they’d start a new position with just the remainder of the previous servant’s budget rather than having their own. •As a non-profit, there may be certain legal requirements we have to follow in order to change our fiscal calendar. •The fiscal calendar had been adjusted to starting in July with the goal of allowing us to better use our money based on the information the Delegate would bring back from the Conference each year. •After initial vote and minority opinion, discussion resumed. Friendly amendment was made and accepted to add “on the condition that all necessary legal conditions are met” to the end of the current motion. •It was explained by the Finance chair that this motion would cause that we have a 6-month fiscal year for the second half of 2018 and then begin a full fiscal year on 1/1/19. 	
1/2018	<p>That Area include in its annual budget an income projection, based upon the Area’s actual historical income and other relevant facts and circumstances.</p> <p>Discussion: The goal of the motion is to be able to provide the area with more information to arrive at a more realistic budget but not to necessarily have a balanced budget.</p>	
3/2019	<p>That Area 47 make available to host districts up to \$200 per month to help pay for the cost of renting the facility for the assembly.</p> <p>Discussion:</p> <ul style="list-style-type: none"> • May help encourage districts that had limited funds to host an assembly •Districts pass the basket to help recoup costs 	
5/2019	<p>That responsibilities of maintain the Trusted Servants List be transferred from the Recording Secretary to the Registrar.</p> <p>Discussion:</p> <ul style="list-style-type: none"> ·The Registrar already has the contact information, and it would streamline the tasks. ·Concerns that we are passing tasks to another officer. ·Should we take this motion back to our groups? ·The Registrar handles all of the contact info and not sure how it became the responsibility of the Recording Secretary. 	

Motion (any related discussion as documented in the minutes will follow the motion when available)		Additional Info
11/2019	That Area 47 start accepting online donations via a secure PayPal account.	
11/2019	<p>Motion: That the Area Handbook replace the current section “The Group Conscience” (page 7) with the “An Informed A.A. Group Conscience” section below.</p> <p>Proposed: An Informed A.A. Group Conscience “The group conscience is the collective conscience of the group membership and thus represents substantial unanimity on an issue before definitive action is taken. This is achieved by the group members through the sharing of full information, individual points of view, and the practice of A.A. principles. To be fully informed requires a willingness to listen to minority opinions with an open mind. On sensitive issues, the group works slowly — discouraging formal motions until a clear sense of its collective view emerges. Placing principles before personalities, the membership is wary of dominant opinions. Its voice is heard when a well-informed group arrives at a decision. The result rests on more than a “yes” or “no” count — precisely because it is the spiritual expression of the group conscience.”</p> <p>“...Before a vote is taken, it is essential that the members be given all facts relevant to the subject at hand. In many cases, a few members may be asked to look into the pros and cons of the issue and present them at the meeting. Arriving at an informed group conscience in big matters or small is a process that may take some time. But it is important that minority, or dissenting, views be heard along with those of the majority. In some instances, they may even turn the tide.”</p>	
8/2019	That procedural differences between the AA Service Manual and that which is described in our Area Handbook, the Area will henceforth defer to our Area Handbook.	Alters 11/1994 motion
2/2020	<p>I move that we add, in the appendices, a compendium of motions that have been passed by the assembly that alter a procedure at area, our conscience on a given matter or any item outlined in the Area Handbook along with any available notes that pertain to the motion from the minutes. Motions that shall not be included will be motions such as budget approvals, trusted servant nominee approvals, Trustee nominee approvals, Area Workshop topics, etc. Additionally, section 2.a of the Area Handbook in the Duties and Responsibilities of Recording Secretary shall be updated from what it currently dictates to reflect the expanded responsibilities in this motion</p> <p>Discussion: The doc will be searchable, motions that have not passed will be available but will not be included</p>	
10/2020	Update the list of past-delegates to display the first initial of their last name rather than their full last name.

9/2021	<p>That the Registrar lead the new GSR school.</p> <p>Discussion: Having Registrar chair ensures forms get submitted in a more timely and orderly fashion. Eliminates need to find a GSR School chair at the last minute before assembly starts. Relates to Concepts 3 and 4.</p>	
9/2021	<p>Change the handbook, page 26 to read: AREA REGISTRAR 1. Attends the monthly Area Assembly and may attend the Area Committee meetings.</p> <p>(Since the previous motion requires the Registrar to be in the GSR School, which is typically held during assembly at the same time as Area Committee, this motion is needed to keep our Handbook current in the event the GSR School continues to be held at that time.)</p>	
10/2021	<p>Beginning as soon in 2022 as NYS guidelines allow, Area 47 will conduct hybrid assemblies.</p> <p>Discussion</p> <ul style="list-style-type: none"> • Having a hybrid assembly may not increase attendance (wasted effort and cost of equip). • There are situations other than the pandemic where a hybrid option would make Area Assembly more accessible to people who otherwise would not be able to attend (inclement weather, work schedule, lack of daycare, illness transportation problems).

APPENDIX H – ROBERT’S RULES OF ORDER

As modified by the Twelve Traditions and Adapted for the General Service Conference
Area 47 Assembly, February 14, 2010.

WHAT ARE ROBERT’S RULES OF ORDER?

They are set of guidelines for conducting business first written in 1876. Clubs, organizations, associations and conventions generally utilize Robert’s Rules for business meetings.

WHY ARE ROBERT’S RULES IMPORTANT?

These guidelines allow everyone to be heard so this group can make decisions without confusion. This version of Robert’s Rules has been modified to fit the needs of Area 47. Today, Robert's Rules of Order are the basic meeting operation for AA at the District, Area, Regional and National level, so it's important that everyone know these basic procedures. They should not be utilized in a way to stifle full discussion of an issue. We use these guidelines, but keep in mind that they must occasionally give way to the 12 Traditions.

MOVING TO MOTION:

A motion is a proposal that the entire membership take action or a stand on an issue. Only members that can vote on motions may make motions. Motions cannot be made when any other motion is on the floor. Original motions yield to subsidiary motions such as amendments.

- 1) Obtain the floor by raising your hand.
 - a) Wait until the last speaker has finished.
 - b) Always wait until the Chairperson recognizes you.
- 2) Make Your Motion.
 - a) Speak in a clear and concise manner. It is sometimes helpful to write out your motion before saying it.
 - b) Always state a motion affirmatively. Say, "I move that we ..." rather than, "I move that we do not ..."
 - c) Avoid personalities and stay on your subject.
- 3) Second the Motion.
 - a) Another member will second your motion, or the Chairperson will call for a second.
 - b) If there is no second to your motion it is lost.
 - c) It is generally not advisable to second a motion to simply get on with the discussion. The better course is to wait for the motion to fail without a second and then make a new motion. This avoids the problem of having to overly amend a motion that is not effectively worded in the first place.
- 4) The Chairperson States Your Motion.
 - a) The Chairperson will say, "It has been moved and seconded that we ..." Thus, placing your motion before the membership for consideration and action.
 - b) Once your motion is presented to the membership by the Chairperson it becomes "assembly property," and must follow the amendment procedure (below) to be modified.
- 5) The Motion is Discussed.
 - a) The time for you to speak in favor of your motion is at this point in time, rather than at the time you present it. The mover is always allowed to speak first.

- b) All comments and debate must be directed to the Chairperson.
 - c) The membership then either discuss and debate your motion or may move directly to a vote.
 - d) Any member may speak on a motion but should wait until other speakers are finished before taking the microphone for a second time.
 - e) The mover may speak again only after other speakers are finished, unless called upon by the Chairperson.
- 6) Putting the Question to the Membership. (Calling for a vote)
- a) The Chairperson asks, "Are you ready to vote on the question?" If there is no more discussion, a vote is taken.
 - b) Alternately, a member's states "I call the vote" at the microphone.
 - i) Calling the question requires a second and requires a simple majority to pass.
 - ii) This action is not debatable.
 - iii) The person calling the question must be recognized and speak in turn, calling the question out of turn, interrupting those who have been waiting to speak, is out of order and does not have to be recognized by the Chair.
 - iv) The person calling the question may not address the motion prior to calling the question.
- 7) Voting on a Motion:
- a) At the discretion of the Chair one of three methods of voting will be used:
 - i) By Voice -- The Chairperson asks those in favor to say, "Aye," those opposed to say "no", and ask for any abstentions. The only reason to abstain from the vote is if you could personally gain or profit from the motion. Any member may move for an exact count.
 - ii) By a Show of Hands -- Each member raises their hand until all hands are counted. This method is used for counting dissenting votes also.
 - iii) By Ballot -- Members write their vote on a slip of paper; this method is used when secrecy is desired, such as during elections of committee members. (Please see Third Legacy voting in your service manual for further instructions.)

MINORITY OPINION

The minority opinion is very important to AA and helps to preserve our Traditions.

Following a vote, the Chairperson will ask to hear from the minority opinion. The Chairperson can choose how many minority opinions will be heard. The purpose is to persuade even one person from the majority to change their opinion and move for reconsideration.

- 1) If any member who voted on the prevailing side of the question raise their hands the request to reconsider a vote is considered made and seconded and discussion resumes on the matter as if the original vote had not taken place.
- 2) This is not discussion, and no rebuttal by a member of the majority is allowed.
- 3) If the motion that is being reconsidered is not debatable, then the motion to reconsider is not debatable.
- 4) A matter may be reconsidered only once. Motions to reconsider or table cannot be subject to a motion to reconsider.
- 5) Motions to reconsider must be made at the same meeting at which the vote being reconsidered was taken.

AMENDING A MOTION:

When a motion requires change before approval, a motion to amend the motion may be made.

- 1) A "friendly" amendment is suggested to the person making the motion and accepted by him. The Chairperson will then restate the question with the amendment included and discussion on the amended motion continues.
- 2) A "formal" motion to amend is done by inserting, adding, deleting or changing the motion. For example, if the motion is to allocate \$500.00 to some task, and the discussion indicated the assembly thought that amount was too much, a member could amend the motion by saying "I move to change the motion from \$500.00 to \$250.00."
- 3) Formal motions to amend must be seconded.
 - a) If seconded, discussion of the motion to amend takes precedence over the main motion and the discussion then focuses on the amendment.
 - b) Once the assembly votes on the amendment, the discussion of the main motion resumes.

TABLING A MOTION:
